**Celebrating Mothers Luncheon  
Saturday, October 5, 2019**

Join us for a festive afternoon with beautiful ocean views, delicious cuisine, fabulous auction items, and an engaging and moving program. It's the perfect way to celebrate the courageous women and families in your life while supporting Prototypes' lifesaving programs that allow mothers to keep their children with them during treatment.

*We experience miracles every day at Prototypes: a mother being able to stay with her child while receiving treatment, a woman receiving high-quality, trauma-informed care, and a client connecting with resources to help them succeed. Acts of dignity like these are not what we do, but who we are as an organization. We welcome people through our doors exactly as they are – filled with possibility – and treat them without judgment, guided by the principle that healthcare is a right not a privilege.*

The Celebrating Mothers Luncheon event will attract over 200 of Los Angeles' top professionals and their guests to support Prototypes' clients who have overcome extraordinary challenges. Proceeds from the event benefit the women, families and children who receive life-changing services at Prototypes.

*"Breaking the cycle of addiction and trauma for mothers and their children"*
