_____(Participant Name & Signature) _____(Date)

_____(Staff Name & Signature) _____(Date)

Describe Personal Representative’s Relationship to Participant:

REVOCATION OF AUTHORIZATION

The federal regulations governing Confidentiality and Substance Use Disorder Patient Records, 42 C.F.R. Part 2, and the Health Insurance and Portability Act of 1996 (“HIPAA”) provide an individual the right to revoke a previous Authorization to disclose information. By completing this below mention section, you are requesting a restriction to any further disclosures of your personal health information.

I, _____, hereby revoke the Authorization to
(Participant Name)

release my confidential health records effective, _____.

I understand that the revocation will only apply to future disclosures or actions regarding my personal health information and cannot cancel actions or disclosures made while the Authorization was previously in effect and valid.

_____(Client Signature) _____(Date)

_____(Staff Signature) _____(Date)

NOTICE REGARDING THE RELEASE OF CONFIDENTIAL SUBSTANCE USE DISORDER INFORMATION

This information has been disclosed to you from records protected by federal confidentiality rules (42 C.F.R. Part 2). The federal rules prohibit you from making any further disclosure of information in this record that identifies a patient as having or having had a substance use disorder either directly, by reference to publicly available information, or through verification of such identification by another person unless further disclosure is expressly permitted by the written Authorization of the individual whose information is being disclosed or as otherwise permitted by 42 C.F.R. Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose (see § 2.31). The federal rules restrict any use of the information to investigate or prosecute with regard to a crime any patient with a substance use disorder, except as provided at §§ 2.12(c)(5) and 2.65.
