

Volunteer Position

- Volunteer Position:** Outreach Health Worker Volunteer
- Program:** Women's Community Clinic
(1735 Mission Street, San Francisco, CA)
- Commitment:** One 3-4 hour shift per week, for at least 9 months
Mondays or Tuesdays from 5-8pm

Program Description:

The Outreach Program was founded in September 2001 as an extension of the Women's Community Clinic. The program first and foremost works to establish relationships with women and trans folks, and strives to meet their diverse self-identified needs. The mission of the Street Outreach Program is to build relationships with and support people who are homeless and unstably housed.

Position Description:

Outreach Health Worker Volunteers provide health education and harm reduction materials that relate to safer sex, safer injection, wound care and hygiene supplies to women and trans folks on the street and in SRO hotel rooms in the Mission district every Monday night. We approach each client with respect. We respond to our clients self-identified needs. We embrace an open-exchange of information. We are flexible in reaching beyond our target groups, recognizing that our clients do not exist in isolation. Volunteers are supervised by the Community Engagement Coordinator.

Key Duties and Responsibilities:

- Outreach (one 3-4 hour shift per week), including giving health supplies, information, and referrals
- Preparing outreach supplies
- Conducting client surveys, as necessary
- Completing outreach data forms
- Must shadow a minimum of 3 outreach shifts
- Attend initial Outreach Worker training (dates TBD after acceptances finalized)

Skills and Qualifications Required:

- Must be available to work Monday or Tuesday evenings, From 5-8pm.
- Willingness to make a 9 month commitment (excluding shadowing shifts)
- Ability to lift boxes, carry outreach bag, and walk up to 3 hours at a time.
- Understanding and support of harm reduction philosophy

Preferred Qualifications:

- Spanish fluency
- Experience with working with people that are homeless or who live in SROs
- Experience working with trans folks and cis-women
- Access to a cell phone for use on shifts
